

Suggestions for listing IELTS acceptance on your organization's website

Below are some examples of text your organization may consider using on your website and application materials to ensure international students have accurate information about submitting their IELTS scores.

IELTS Results Service

■ E-Delivery or API

Our institution accepts results directly from IELTS.
The E-Delivery account name is: (Name of E-Delivery account).

■ Verification

Organizations that do NOT want to receive an official paper copy by mail but do have access to verify scores via the Results Service account.

Provide your Test Report Form (TRF) number or a PDF copy of your IELTS Test Report Form.

■ Paper Test Report Form

Organizations that DO want to receive an official paper copy by mail.

Please provide the test center with the following information:

Name of Institution/School/Department
Address
City, State, Zip Code

Thank you for your interest in IELTS. For more questions about

IELTS and any of the tools mentioned here, contact us at stakeholders@ieltsusa.org
